LANGUAGE PROFICIENCE

Language	Spoken	Written
English	Very Good	Very Good
Luganda	Very Good	Very Good
Kinyankore	Fair	Fair

SUBJECTS READ AT HIGHER LEVEL

(i) University

M. Sc (Environmental Science)

Research Methods and Data Management

Introduction to Remote Sensing and Geographic Information Systems (GIS)
Advanced Remote Sensing and Geographic Information Systems
Environmental Health
Bio-diversity of Wetlands, Open waters and Mountains
Conservation Planning and Practice
Environmental Economics
Environmental Ethics and Law
Environmental Resources, Planning and Management
Field Course (in Kibale forest, Rwenzori and Lake Mbuoro National Parks)

(ii) Post Graduate Diploma in Education (PGDE)

- Education psychology
- Foundations of Education
- Curriculum and Instruction
- Geography Teaching Methods
- Luganda Teaching Methods
- School Teaching Practice

(iii) B.A (Arts): Geography, Sociology, Luganda (Language), English Language Studies

DUTIES AND RESPONSIBILITIES HELD AT SECONDARY SCHOOLS

Examiner ‘A’ Level (Physical) Geography- Uganda National Examinations Board (UNEB) for 10 years
Head of department –Geography
Patron Teacher-Geography Students Association
Patron Teacher-Debating club
Patron Teacher-Wild Life Club

COMMUNITY OUTREACH/CHURCH SERVICES

- Preaching and leading sermon programs
- Distributing Bibles to church/community members
- Leading cell preaching and hosting cell prayers
- Supporting vulnerable children where I can
- Counselling married couples
- Sensitizing communities on natural resource conservation and sustainable development

INTERESTS

- ✚ Interacting with nature e.g. animals, forests and (natural) flowers
- ✚ Reading personal building-publications e.g. books on economic development and spiritual growth
- ✚ Counselling and mentoring others
- ✚ Practical agriculture and farming
- ✚ Meeting new people and discussing ideas
- ✚ Internet surfing especially on environmental management, agriculture topics and schools/child management studies

CONFERENCES AND WORKSHOPS

Date	Title	Type	Presenter	Place
Nov 2018 To be presented	Implication of Human Activity on River Rwizi; Way Foward	MUST Annual Research Dissemination Conference	Nagawa Mary Goretty	Mbarara University of Science and Technology (MUST)
25 th May, 2017	Narrative Research	Conference	Prof. louis Vicent	Dolphin's leap Conference Hall-Port Elizabeth; SA
21st Feb, 2017	community perceptions towards human activity on river Rwizi	Workshop	GorettyNagawa	BSU Conference Room
Feb 2016	BSU e-communication and Systems automation workshop	Oneweek Workshop	E-Systems	Computer lab
12 th May 2016	Hotel and Tourism in Uganda	Workshop	Embassy Hotel barara, Tourism Board	BSU Guild Conference Hall
23 th Feb 2016	Impact of Human Activity on river Rwizi	Workshop	GorettyNagawa	Bishop stuart Univ. Board Room
